

## CODE OF CONDUCT

We are committed to ensuring our events and programs are a welcoming, inclusive, environment for participants of all races, gender and trans statuses, sexual orientations, physical abilities, physical appearances, and beliefs.

This code of conduct has been produced to underline our efforts to ensure we provide a safe space for all community members and to address any issues that may arise during our program.

By attending our event, you agree to:

- Be considerate in speech and actions
- Refrain from using demeaning, discriminatory, or harassing behavior and speech.
- Respecting attendee's privacy and acknowledging any unwanted photography or recording;
- Alert a member of the our volunteer team if you notice a dangerous situation, someone in distress, or violations of this code of conduct so we may address and resolve any issues.

We welcome your feedback and thank you for helping us create a safe, enjoyable, and friendly experience for everyone.
